2025 Ramadan Double Promotion

Version 1.0

Last Update: Feb 25th 2025

TimeLine of the promotion:

The promotion will commence on March 1, 2025, and will remain valid until March 31, 2025.

Promotion Details:

The **Ramadan Double Promotion** will offer both bonuses and cashback rebates to eligible participants.

All qualifying deposits made during the promotion period will be eligible for participation in the **Ramadan Double Promotion**.

1. Bonus Overview:

-All eligible deposits exceeding \$250 will receive a 100% non-withdrawable bonus, which may be used exclusively for trading purposes until the conclusion of the promotion.

-All bonuses granted under the Ramadan Double Promotion will be removed on April 1st, 2025, immediately following the conclusion of the promotion.

2. Cashback Overview:

-The cashback constitutes real money credited to clients' accounts (in the form of credit line), becoming fully withdrawable right after the end of the promotion.

-Clients will be eligible to receive cashback based on their total deposits made within the promotion period, as outlined below:

- **Deposits between \$5,000 and \$10,000** → \$4 cashback per lot traded until March 31st, 2025.
- **Deposits between \$10,000 and \$25,000** → \$6 cashback per lot traded until March 31st, 2025.
- **Deposits between \$25,000 and \$75,000** → \$10 cashback per lot traded until March 31st, 2025.
- **Deposits exceeding \$75,000** → \$12 cashback per lot traded until March 31, 2025.

3. Use of Available Funds:

- The sum of the account balance on the date, including bonuses, is eligible for creating the required trading volume.

4. Withdrawal Process:

- Cashback funds will become fully withdrawable upon meeting the eligibility criteria outlined above.

- The calculations for the redeemable Cash Back amount will be made following the lapse of the timeline and according to the volume generated during the period.

- Client's own funds remain unaffected and can be withdrawn freely at any time.

- In the event of a withdrawal request by a client who received Cashback, EZinvest reserves the right to deduct unredeemed rebate funds based on the volume condition and then process the withdrawal of any remaining funds available.

5. Excluded Instruments from Volume Calculation:

- Stocks and cryptocurrencies are excluded from consideration in the volume calculation.

6. General Terms & Conditions

- Before accepting any rebate or bonus, clients must carefully review and comply with the terms and conditions outlined in this policy.

- Clients participating in the Ramadan Double Promotion are not eligible to receive any additional bonuses on the same deposit.

- These terms and conditions are subject to change at the company's discretion. Participants should refer to the latest updates for the most accurate information.

- Engaging in abusive trading behaviour will result in immediate exclusion from the Ramadan Double Promotion, and any earned cashback or bonuses will be fully deducted, regardless of the trading volume generated during the promotion period.
